Dear Witches and Sons of Witches,

Welcome to the Witch Run at Gardner Village. This race is going to be frightening fun with an opening ceremony and the lighting of the Witching Calderon for Gardner Village. The race will have fun treats to eat as well as some Witches Brew at the end of the course.

The course is out and back on the Jordan River Parkway Trail System. There will be at least 2 aid stations with candy on this course. We will be taking pictures of the witches while running so if you see a camera please smile and strike a witchy smile. The medals are bright round moon size medals with a black witch in the center of it. These medals will be great for your wall of fame. The finish will have some spooky lights with ghosts and witches flying over the area. Though it is just a 5K we hope this 5K becomes a favorite for you.

**Extremely Important: This race has a lot of first time racers. Many will see something on the website that says two packet pickups one on Friday Sept 29 from 5-7PM and one on Saturday (Race Day) Sept 30 from 4-7PM. Last year we had 50% show up at 6:45PM or later on race day. Do not do this. We love our racers and want to start on time. If you cannot make it Friday night please come on Saturday no later than 6:00PM. We understand the race does not start until 8PM but the lines can be long and with few hundred racers ahead of you it may delay the start of the race. You will need time use the restrooms and be a part of the Opening Ceremony at 7:30PM. Those that did not register online will have a chance to register until 6PM on race day at a higher fee. We will not be doing same day registration after 6PM. We will be checking bib numbers at start to confirm registrations prior to entering the course as well so make sure you have it. This is how we will time you as well confirm you are a racer. Medals will be given at packet pickup to prevent late registrations and free youth under 8 from getting them. (They only come with full race registration). Though youth 8 and under are free with a paid adult we are only doing one extra youth hat per paid adult. Youth 8 and under will not get a shirt, bib and timing chip or finisher medal like the website says.**

We are in need of Volunteers (Egors) for this race. Egors will get to help out on the course and they also get a \$35 race credit towards a future race. This will give you a future credit to the Santa Runs or you can use it towards the 2017 Witch Run or more. This credit is 100% transferable to your runner or anyone else. Register at [www.witch.run/volunteer.html](http://www.witch.run/volunteer.html)

Age Group Awards will be given to the first 3 in each age group. We will give out 3 top trophy awards to the first three witches and sons of witches at this race. The age groups will be every 5 years from 10 to 14 to 70+.

We hope you have a Spooky Race,

Joe Coles – Race Director On Hill Events

### **Parking**

**Parking is limited but we should have enough for this race. Please park in the back of Gardner Village and drive in from on the Southwest Entrance so you do not come in via the Entrance we might be running by. We encourage all Witches and Sons of Witches to arrive early or ride UTA Tracks to Gardner Village to make it easier to get there.**

## Course Map

The Course for this race is out and back on the Jordan River Parkway Trail. In years past courses have been on the road and other locations. The safety of our witches is our first priority and with the extra traffic this time of the year this course will be the safest for you. We will be going South on the course and back out North. There will be three aid stations on the course one around half way of the course then at the turn around then repeated at the half way of the course. We will do a smaller shoot to start the race in 2017 to thin out the course. This will allow people to pass easier and to prevent too much congestion at the tunnel. We will have you line up in order of fastest to slowest.

### Aid Stations

Mile .7 and Mile 1.55. Candy Water and Powerade.

Chip Timing Provided by On Time Racing. Results will be available once the race is complete and posted on the website the Monday after the race if not sooner.

**Added Races:**

**Blood Run in Mountain Green{10 minutes East of Layton}** (Full contact race with Zombies chasing you with bloody hands. Your white race shirt will have bloody hands at the finish. This race has racers go out one at a time. Runners will go on the course one at a time or groups up to 5 runners to make you feel alone. October 28, 2017 [www.blood.run](http://www.blood.run)

**Sun Marathon in St George – February 3, 2018** This race will be a USATF Full Boston Qualifier. We set it up during the winter to give racers a chance to run in the warmer temps of Southern Utah. [www.sunmarathon.com](http://www.sunmarathon.com)
